**CHC's 2010-2011 PROGRAMS:**

**FOM**  
**Focus on Motherhood  
Childbirth Classes**

Are you expecting? This fun and informative program prepares young expectant moms and dads for childbirth. Master breathing and relaxation techniques, as well as learn what to expect during labor and delivery. FOM eases fears and makes childbirth as comfortable as possible, while turning a crisis into a positive new beginning.

**BTF**  
**Building the Family  
Parent Support**

Has the birth of your child changed your life? Do you feel alone? You're not alone! Each month teen moms and dads come together to share their experiences and to support each other through the challenges of being a teen parent. This fun monthly group provides help with food, clothing, housing, as well as the support needed to get you through school.

**TPED**  
**Teen Parent Education Project**

Are you pregnant or parenting and still in high school? Help is available! CHC's School Program can make it possible to continue your education even if you are pregnant or parenting. It offers assistance with your medical needs, food, clothing and even diapers and formula if you need it. The program brings together in school other young moms and dads like yourself to find the ways to cope with your situation while going to school. CHC's School Program can give you what you need to succeed at both.

**TPAFF**  
**Teen Parenthood Awareness:  
Fact & Fiction**

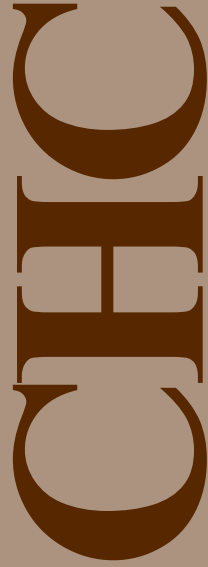

A prevention program designed to provide an "eye-opening" view of pregnancy and parenting to non-pregnant teens. The program improves decision-making skills, dispels romantic illusions of parenting and motivates teens to prevent untimely pregnancy.

**BSW**  
**Babysitting Workshop**

Child care and emergency basics for youth caring for siblings or neighbors.

**Childbirth  
AND  
PARENTING**
